

LOHRI CELEBRATION

Our School Campus wore a festive look when the students celebrated Lohri with great exuberance and a spirit of generosity seeking brotherhood and distributing their affection amongst one and all. They elaborated the importance of these Harvest Festivals and described the related festivities.

Folk songs were sung by the students to make the mood and soon everybody joined in the energetic rhythm! Peanuts, popcorn and Sweets were handed out to the great delight of the children. While some offered these in the holy fire, others happily munched on them.
